

CAMP TRAILBLAZERS

A camp for kids with facial differences

Why Camp Trailblazers?

Camp Trailblazers is the only camp in Canada for children and youth 8-18 living with a facial difference. Through creating a fun, safe, and inclusive environment, camp becomes a place to build life-long friendships with people who share similar life experiences. Campers will have the opportunity to participate in a variety of programs and activities. Along the way, campers grow as they learn different ways to maintain strong mental and social health. Living with a facial difference is a challenging experience, and it is important that children and youth with facial differences know that they are not alone in their journey.

Each year, camp is held virtually and in various locations across Canada. Visit our website to find our next program or camp nearest you:

“At camp, having a facial difference is what makes us belong, not stand out.”

Who Can Attend?

Camp Trailblazers programs are open to any child with any type of facial difference. Our Kids programs are for campers 8-15. Our Leadership program is for campers 16-18. Our virtual programs are year-round and open to campers 6-18. Camp Trailblazers can accommodate many medical considerations. For more information about accommodations please email info@aboutface.ca.

What activities?

We have all the summer camp favourites! Depending on the location, you can participate in things like swimming, canoeing, rock wall climbing, archery, rope courses, campfires, and arts and crafts. We also facilitate workshops called AboutFace Time which help build confidence, self-esteem, and other positive psychosocial health outcomes through education and activities.

Teens in the Leadership program will follow their own schedule. The program will focus on learning and gaining skills around what it means to be a leader in everyday life.

Fees and Registration

Fees for Camp Trailblazers differ by location and length of camp. To ensure every child has the opportunity to attend, subsidies are available for those who are eligible.
